

VAT CUSTOMER REGISTRATION

To comply with the Government of The Bahamas' Value Added Tax (VAT) legislation, the Water & Sewerage Corporation (WSC) advises its VAT registered Customers to please provide the WSC with your TAX Identification Number (TIN).

As mandated by law, the TIN must be displayed on all invoices and bills remitted by a VAT Registrant. Providing your TIN will permit WSC to include the same on our bills and invoices. **Please act quickly.** Failure to provide your TIN may inhibit your ability to receive VAT input credits.

WSC is asking that all VAT Registrants complete and return the VAT Registration Form below. Please include your Account Number(s) and specify the applicable Tax Identification Number for each account.

You may return the completed VAT Registrant Form by **fax: 242-328-3896**, **email: VAT@wsc.com.bs**, hand delivered to our main office at 87 Thompson Boulevard or by mail to:

Similarly the Corporation also advises its local partners that its Tax Identification Number is 100031342. This number must be included on ALL invoices and billings to WSC.

Thank you for your cooperation.
